What are cookies?

Cookies are small text files that are placed on your computer or mobile device by websites you visit. They are widely used in order to ensure websites work efficiently, alongside providing insight about the volume of visitors to the website and how visitors move around the website. This in turn helps us to develop the user experience.

How we use cookies

Our website uses cookies to improve its functionality, monitor site performance, and improve the user experience.

The table below explains the cookies we collect and the information they store.

Cookie	Name	Purpose
Google Analytics	<ul style="list-style-type: none">_ga_gid_gatforceSSLpageviewUA-77339021-1OTZAPISIDHSIDSAPISIDSIDSSIDSIDCC	<p>Our website employs cookies from Google Analytics. Google Analytics is a web analytics service provided by Google, Inc. Google Analytics cookies are used to collect information about how visitors use our website. The cookies collect information in an anonymous form, including the number of visitors to the website, where visitors have come to the website from and the pages they visited. A method called session stitching may be used to aggregate data from several visits to the site from a single user, and this is done by passing a User-ID to Google (but not your name, IP address, email, or other personally identifiable data). We use the information to compile reports and to help us improve our website. Google holds this information and provides us with access to it.</p> <p>Find out more about Google Analytics at: https://developers.google.com/analytics/devguides/collection/analyticsjs/cookie-usage.</p> <p>The Google Analytics privacy policy is at: http://www.google.com/intl/en/policies/privacy/.</p> <p>You can find out how to opt out of being tracked by Google Analytics by visiting https://tools.google.com/dlpage/gaoptout</p>
